

enhancing early education

Dear Parents,

If you love children, their sense of wonder, their energy, their sense of fun, their laughter, their mischievousness... then we invite you to join the **Enhancing Early Education Program (3EP)** - a six-month teacher training course in early childhood education.

This course strives to nurture creative child-centric educators. It is designed for young mothers, educators, entrepreneurs or simply anyone who is passionate about working with children,

We are delighted to share with you that admissions are open for the 24th batch. The programme has trained over 500 individuals in the last twelve years, most of whom are part of the faculty of many prominent schools in Delhi-NCR.

The course will begin on **Monday, 4th November 2019** and will be conducted in the premises of The Shri Ram School - Mousari, DLF phase III

We would like to invite you for a **complimentary preview workshop** where insights into this programme will be shared with you through hands on activities. The two dates for the preview workshop are:

Friday, 6th September 2019: 9:30am-11:30am

Friday, 20th September 2019: 9:30am-11:30am

(Kindly register for either of the preview workshop via SMS on 9871018407)

Visit us: Do visit us to meet and interact with the team over a cup of tea at our office (Between 9am - 3.00pm, Monday to Friday)
